People find just the help they so much need, in Hood's Sarsaparilla. It furnishes the desired strength by purifying, vitalizing and enriching the blood, and thus builds up the nerves, tones the stomach and regulates the whole system. Read this:

"I want to praise Hood's Sarsaparilla. My health run down, and I had the grip. After that, my heart and nervous system were badly affected, so that I could not do my own work. Our physician gave me some help, but did not cure. I decided to try Hood's Sarsaparilla. Soon I could do all my own housework. I have taken

# MITCHELL AND THE SILVER REPUBLICANS.

While the Silver Republicans may see Senator Mitchell returned to the senate on account of his experience and ability, they cannot be expected to compromise themselves by assisting in his election. They cannot forget that they made a voluntary fight for his return at the spring primaries because the senator was the foremost and most aggressive champion of their principles on the coast. These men did so because they do not believe our country can have permanent prosperity, even under the McKinley tariff if it were to be restored, with a gold standard money system.

If Senator Mitchell had stayed out of the November campaign his election would not have involved the Silver Republicans in a predicament. But Mitchell came home and led the fight for the gold standard party, against his friends of the spring campaign, friends secured the selection of Mitchell members of the legislature in Marion county, Lane county and in many other counties, solely on the proposition that they were doing it to vote down the gold standard which was voted down in the Republican state convention. The gold standard Republicans and the Oregonian fought the election of these Mitchell Republicans and defeated some. All that were elected were chosen in spite of the votes of the goldites.

These men fought his battle in the hour of need, at the primaries, at the county conventions, at the polls. They withstood the partisan abuse of his then enemies. Does he owe the silver Republicans anything? He talked about gratitude to his friends in his speeches about the state. Did he mean his true friends of last spring who stood up for him as a man of principle, or his new found friends who sought to defeat him on account of his principles? The senator will find the silver Republicans who fought his battles last spring have longer memories than he has. Republican eulogies of the gold standard Democrats who voted for McKinley apply equally well for men who sincerely stood up for the cause of bimetalism. Senator Mitchell persuaded many of the bimetalists of Oregon into voting the McKinley platform by telling them it stood for protection and bimetalism. The sequel will prove it stands for neither, but solely for gold trust which he professes to abhor. He persuaded enough of these men to carry Oregon for the gold standard. But he will not persuade a sincere silver man that he is entitled to a re-election to the Senate.

## A MAYOR FOR SALEM.

In what we say about this, we wish to be understood as not reflecting on any present or past mayor, or on any candidate for mayor in the future. Indeed, we are assured no one wants the office. There is no pay in it. There are no fees. Out of the reluctance of the ordinary office seeker might come good for the city, if there were not the political machine that makes the city government part of county and state politics. The same is true of all other cities. The mayor and city officials are expected to constitute a ring for purpose of managing primaries and elections.

We should have a mayor independent of this and for the welfare of the city alone. This city should easily be made the most desirable city in the state to live in. That should be the ambition of a mayor and all our people. We hope this city will get a mayor at the coming election who will have a proper conception of good government; who has an ideal of what a capital city should be and the ambition to realize it; the office is not without pay in the honorable sense of the word.

The finances of our city are not in a satisfactory condition. Mayor Gatch was able to prevent bond issues, but he was not able to prevent the issue of \$60,000 city hall warrants on the general fund, drawing 8 percent interest, that puts all warrants at a discount, robs the laborer and the city and enriches the warrant speculator. A mayor and council to put our city on a business basis and keep it there is earnestly to be prayed for. Our city warrants should not be hawked about to be refused by the shrewd class of citizens and forced upon the weaker. The mayor, of our city, should be one of the first men of the city and he should be above taking advantage of his position to promote his own interests or those of his friends. The office should be tendered some man who is not seeking it. A mere selfish politician will not send our city ahead very fast.

## How Eugene People Accepted Their Defeat.

Speaking of the result of the Multnomah, U. of O. football game, played in Portland Thanksgiving-day. The Eugene Guard of Friday, contains the following:

"In Eugene the spirit of defeat was plainly evident. Heretofore the home team has won every game played by it for the past two seasons, and the news of a game has always been received with vociferous demonstrations. But last evening the feeling was different. The report at the end of the first half that the teams had tied on a score of six points each caused everyone to await with eager anxiety the result of the second half. When the news came that the University team was beaten, though not badly defeated, instead of a gathering of crowds and blowing of tin horns, all was as quiet as on a Sabbath day."

Headache, dizziness, nausea, stomach-ache, weakness, flatulence, irritability, etc. These are a few of the symptoms, caused by indigestive poisons, cured by Shaker Digestive Cordial. COLD WEATHER.—At 7:30 o'clock this morning the thermometer at G. L. L. Baskett's drug store, indicated 12 degrees above zero. This is 4 degrees colder than at the corresponding time on the preceding day and it is expected the thermometer will fall still lower this evening. Skates are in demand and Young America is enjoying the sport of sailing along over the glassy surface of some pond for the first time in several years. As a result of the heavy rains of two weeks ago there remains a pond of goodly dimensions on North Capitol street. This was thoroughly frozen over and was liberally patronized by young folks all day Friday as well as in the evening.

## The Social Events.

### YOUNG FOLK'S PARTY.

On Thanksgiving night Miss Iva Irvin entertained about thirty of her young friends at her home on Church street. There were games and dancing and the young folks enjoyed themselves as only young folks can. A lunch was served and at a late hour the merry party disbanded.

### A TIMELY SUGGESTION.

Some thoughtful student at Willamette university, placed the following notice on the bulletin board Wednesday afternoon, and no one will question that its application might be advisable in all cases: "Students are hereby warned to use a reasonable degree of discretion in eating dinner tomorrow. No funerals desired."

### SEMI-ANNUAL ELECTION.

Salem Camp No. 118, Woodmen of the World last evening held its regular semi-annual election of officers. The new staff of officers is as follows: W. L. Staley, C. C.; C. D. Minton, A. L.; U. S. Kighling, banker; Scott Bozorth, clerk; E. V. Ryder, escort; W. M. Rennie, watchman; Eugene Willis, secretary; R. A. Coshaw, manager. Banker and clerk hold office for one year, and manager for eighteen months.

### Y. M. C. A. DEBATING SOCIETY.

The subject of "Woman's Suffrage" was thoroughly discussed last evening by members of the Y. M. C. A. literary society. Some splendid arguments were advanced by both sides, giving evidence of careful preparation. The president gave the debate to the negative. On next Friday evening the society will debate on the question, "Resolved, That the provisional government of Cuba should be recognized as a belligerent, by the United States."

### TO CHICAGO.

Miss Mabel Carter, daughter of Superintendent and Mrs. J. L. Carter, of the state blind school, has started for Chicago, where she will take a course in the Columbian school of oratory. Miss Carter graduated last June, from the college of oratory of Willamette university, and is one of the most talented elocutionists in the state. Miss Carter has wired her parents in this city that they are sojourning in Montana, at Hoose, where a tremendous blizzard has been raging for several days. She says, however, they have plenty to eat and are comfortable. This is rather a severe change in weather for an Oregonian to undergo. Our present severe cold snap is but a drop in the bucket as compared to a Montana blizzard.

### ANNUAL MISSIONARY DAY.

Tomorrow, Sunday, will be observed by the East Salem Evangelical church located on Seventeenth and Chemeketa streets, as annual Missionary day. This will be universally observed by this church denomination and most satisfactory results are anticipated from the funds that will be raised on this occasion to aid in the missionary work. In the evening commencing at 7:30 o'clock will be given a program, appropriate to the occasion, consisting of scripture reading, singing, recitations, etc. An interesting feature of the program will be the address by the pastor. A collection will be taken, the amount of which will be devoted to missionary work.

### SURPRISE PARTY.

Last evening about twenty merry young people walked into the home of Mr. E. Kurtz on North Commercial street and declared that they had come to stay. After recovering from the complete surprise, of the occasion, Mr. Kurtz played the part of host in a very pleasant manner. Games, conversation, laughter and jokes were the order of the evening, and at the time when dainties usually appear delicious refreshments were served.

At a late hour the crown departed, each one fully convinced that the Kurtz home was the place for real fun. Those enjoying the pleasure of the evening were Mr. and Mrs. Clinton Kurtz, Mr. and Mrs. E. J. Swafford, Mr. H. A. Kurtz, Mr. C. J. Atwood, Mr. Charles Winters, Mr. H. H. Herltage, Mr. Fred Kurtz, Mr. Frank Littlefield, Misses Ella and Grace Poble, Miss Minnie Winters, Miss Cora Littlefield, Miss Agnes Kurtz, Miss Lucia Cochran and Miss Emilie Henry.

### WITH THE PHILOLOGIANS.

The Philologist Literary society of Willamette University had an unusually busy meeting last evening. After the usual program of orations, declamations, etc., a discussion was had on the subject, "Resolved that more benefit is to be derived from the study of English than from that of dead languages." A decision was rendered in favor of the negative. At last evening's session of the society officers were elected for the ensuing term. The installation of the new officers will take place next Friday evening. The new officers are as follows: President, I. P. Cushman; vice-president, C. K. Brandenburg; secre-

tary, S. P. Early; assistant secretary, B. F. Haney; treasurer, R. Ackley; censor, R. W. Davis; librarian, O. G. Morris; sergeant-at-arms, R. B. Wilkins.

### EVANGELICAL THANKSGIVING.

The members and friends of the Evangelical Church 11th and Chemeketa street gave a very pleasant surprise to the pastor Rev. Ezra Maurer and wife on Thanksgiving evening.

About 100 persons proceeded in a body to the church where an excellent program previously arranged was carried out, including addresses, recitations and select singing. During the rendering of the program the parsonage was also taken possession of and the dining room was stocked with an immense supply of provisions of every description, also a neat parlor heater. At the conclusion the entire audience with-drew with their pastor to the parsonage for a social time, he never suspecting the surprise in store. A beautiful purse was also presented to the pastor containing nearly \$25. A humorous presentation speech was made by Rev. Wm. F. Klein and responded to feelingly by the pastor. A social time was then enjoyed for several hours in which the house was filled with the merriment of young and old. It was the most successful donation ever had by this congregation.

### VERY AGREEABLY SURPRISED.

In view of the fact that the past two years have been made memorable by "the hard times," the good people of the First Presbyterian church, determined to give their beloved pastor and family something for which to be truly thankful on Thanksgiving day. A "pound" party was decided upon. Early Wednesday evening the members of the church and congregation assembled at the church, and at 8 o'clock proceeded en masse to the residence of Rev. Wm. Steele, corner of Chemeketa and Court streets. The reverend gentleman and wife were completely taken by surprise, but soon recovered, and provided for the entertainment of their "uninvited" callers. The donations consisted of everything serviceable, from a sack of candy, for the children, to a Thanksgiving chicken and other more substantial items of diet. The productiveness of the one lonely hen can be certified to by any one who was present Wednesday evening. A short program that had been previously arranged was carried out. Mrs. Rizer recited an amusing selection very acceptably. Miss Lucia Cochran executed a difficult piano solo quite skillfully. Miss Weller favored the party with an instrumental solo with her accustomed skill. Miss T. Kimball delighted her auditors with a recitation. At the request of numerous friends Mrs. Steele favored the party with a Scotch song that was warmly received. Social conversation followed and at an early hour the assembly disbanded having spent an evening long to be remembered.

### Sale of Cuba.

NEW YORK, Nov. 27.—The World prints a statement by Senor Jose de Armas-Cardenas, a diplomatic agent of the Cuban republic, who claims to have visited Spain to negotiate for a sale of Cuba to the Cubans. The purchase price, he asserts, was to be \$100,000,000. He describes two interviews with Premier Canovas. He says the premier promised reforms if the Cubans would abandon the fight. He suggested an arrangement be made by which the United States guarantees the fulfillment of Spain's promise.

Women Who Suffer from pain each month can find relief and emancipation from their troubles. Congestion and inflammation of the internal organs are generally induced by exposure to wet or cold, excitement of the emotions, or a morbid condition of the blood. For the radical cure of these dangerous conditions, Dr. Pierce's Favorite Prescription is a safe and certain remedy, permanently correcting all abnormal conditions, so that these trying ordeals are passed with ease and comfort. Ulcerations and displacements of the uterus are cured by the "Favorite Prescription," and the cure is lasting.

Hysteria, Spasms, Nervousness, Indigestion, or Dyspepsia, often depend upon irregularities of function and displacements of the woman's organs. The "Favorite Prescription" cures by regulating and correcting these functions and organic changes. For all irregularities, suppressions and obstructions, Dr. Pierce's Favorite Prescription is a specific, and has a record of over a quarter of a century of cures.

Mrs. MARY V. WILSON, of Southville, Marion Co., W. Va., writes: "For twelve years I suffered greatly with extreme nervousness, stomach and uterine disease. I had doctors with me, but no good, and one of them was as good as a physician as could be had here; he gave me up to the 'Bones of my friends' thought I could get well. We had tried almost everything, and at last I would try Dr. Pierce's Favorite Prescription. I had been bed-fast most of the time for almost two years. After taking several bottles of the 'Favorite Prescription' and following the directions strictly, I now enjoy better health than ever before in my life. I only weigh a little over one hundred pounds and my weight is 145 pounds."
